## **II. Background**

On November 14, 2018 FMCSA published a notice announcing its decision to renew exemptions for 11 individuals from the hearing standard in 49 CFR 391.41(b)(11) to operate a CMV in interstate commerce and requested comments from the public (83 FR 56905). The public comment period ended on December 14, 2018, and two comments were received.

As stated in the previous notice, FMCSA has evaluated the eligibility of these applicants and determined that renewing these exemptions would achieve a level of safety equivalent to, or greater than, the level that would be achieved by complying with the current regulation 49 CFR 391.41(b)(11).

The physical qualification standard for drivers regarding hearing found in 49 CFR 391.41(b)(11) states that a person is physically qualified to drive a CMV if that person first perceives a forced whispered voice in the better ear at not less than 5 feet with or without the use of a hearing aid or, if tested by use of an audiometric device, does not have an average hearing loss in the better ear greater than 40 decibels at 500 Hz, 1,000 Hz, and 2,000 Hz with or without a hearing aid when the audiometric device is calibrated to American National Standard (formerly ASA Standard) Z24.5—1951.

49 CFR 391.41(b)(11) was adopted in 1970, with a revision in 1971 to allow drivers to be qualified under this standard while wearing a hearing aid, 35 FR 6458, 6463 (April 22, 1970) and 36 FR 12857 (July 3, 1971).

### **III. Discussion of Comments**

FMCSA received two comments in this preceding. Kyle Guimarin agrees with the decision of renewing the 11 people, allowing them to drive a CMV in interstate commerce. Davis Benton also agrees with FMCSA's decision to renew the 11 people, exempting them from the hearing requirements required to operate a vehicle in interstate commerce.

### **IV. Conclusion**

Based upon its evaluation of the 11 renewal exemption applications and comments received, FMCSA announces its decision to exempt the following drivers from the hearing requirement in 49 CFR 391.41 (b)(11).

As of September 6, 2018, and in accordance with 49 U.S.C. 31136(e) and 31315, the following 11 individuals have satisfied the renewal conditions for obtaining an exemption from the hearing requirement in the FMCSRs for interstate CMV drivers (83 FR 56905).

Pricilla Brackenridge, (IL)	David Chappellear, (TX)	Mathias Conway, (MI)
Gary Cordano, (NV)	Samuel Fennell, (OH)	Richard Hoots, (AR)
Renaldo Martinez, (TX)	Katrina Parker, (NJ)	D'Neille Smith, (OH)
Michael Smith, (CO)	Michael Sweet, (GA)	

The drivers were included in docket number FMCSA-2016-0002. Their exemptions are applicable as of September 6, 2018, and will expire on September 6, 2020.

In accordance with 49 U.S.C. 31315, each exemption will be valid for two years from the effective date unless revoked earlier by FMCSA. The exemption will be revoked if the following occurs: (1) the person fails to comply with the terms and conditions of the exemption; (2) the exemption has resulted in a lower level of safety than was maintained prior to being granted; or (3) continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136 and 31315.

Issued on: January 30, 2019.
